I _____ from _____

Name of representative

Name of Gymnastic Club

Understand our club is completely responsible for payment of all sales and any loss or theft of the gymnastic clothing that is shipped to us by Jagwear of Canada Inc. on consignment. At the end of every month it is our responsibility to count the inventory that has been sold and send a statement to Jagwear along with the sales for the first month. Jagwear will charge the credit card on file for that amount. At the end of the second month all unsold inventory must be returned to Jagwear along with a complete inventory showing the sold suits and total sales. Jagwear will charge the total sales to the club's credit card on file. A commission will be paid to the club according to the total sales for the two months . See the consignment agreement/policy.

I understand that our club must make payment every month until the clothing is returned to
Jagwear.
